What: Fundraiser to Support Ukraine

Location: Pour Girls – 17 E. Queens Way Hampton, VA 23669

When: April 2, 12-4pm

Calling everyone who wants peace in Europe: Locals have organized a fundraiser to Support Ukraine. The local Ukrainian community of Hampton Roads is looking for some help with fundraising efforts to help against the Russian invasion. A big fundraiser is being held in hopes of gathering enough supplies and money to send to Ukraine to make a strong impact.

Iryna Patterson, co owner of Pour Girls; Alex and Heather Cormier, owners of The Local Print Shoppe; and Krystyna Bachman, a management consulting professional, in connection with Tidewater Ukrainian Cultural Association and Tidewater Ukrainian School, are inviting you to support the Ukrainians in their current war with Russia to a Ukrainian buffet and BBQ featuring Ukrainian music, drink specials, Ukrainian crafts, speakers and information about the history of Ukraine.

The event will be held on April 2 from 12-4pm at Pour Girls in Hampton, VA. At the event we'll be collecting essential medical and civilian items, such as cold weather gear, sleeping bags, gloves, safety eye wear, first aid kits, wound dressings, surgical equipment, sanitary products, flash lights, walkie talkies and much more. All of donated items will be boxed up and brought to NJ and then shipped to Poland to get the supplies in the hands of the Ukrainians in most need. Monetary donations can also be made to assist Ukrainian citizens. If you cannot attend but would like to assist, donations can be made to Tidewater Ukrainian School. All donations are charitable and tax deductible. Please help us support our independent homeland and the people of Ukraine, with it's rich and unique history and culture.

All of the proceeds of the fundraiser will be accepted by Tidewater Ukrainian School a 501c3 organization. The funds will be distributed to their key network of volunteers in the following cities: Teropil, Lviv, Ivano-Frankivsk, and others in western Ukraine.
