Narrative :

2.2-3705.1(1) Identifiable reportedly responded to the STEM Academy because he believed 2.2-3705.1(1) Identifiable was being bullied. 2.2-3705.1(1) Identifiable was reportedly irate and began rambling. During his rant, 2.2-3705.1(1) Identifiable reported that 2.2-3705.1(1) Identifiable would "shoot" up the school if the situation was not resolved. All parties were interviewed by GSU. 2.2-3705.1(1) Identifiable was interviewed over the phone. 2.2-3705.1(1) Identifiable did not wish to fill out criminal complaint and speak to the magistrate because 2.2-3705.1(1) Identifiable believed that 2.2-3705.1(1) Identifiable was just upset because of the circumstances and did not believe he would do anything. Investigation on-going.
