AFFIDAVIT FOR SEARCH WARRANT: Addendum

Commonwealth of Virginia VA. CODE § 19.2-54

4. The material facts constituting probable cause that the search should be made are:

On 8/5/22 at 0117 hours, Norfolk Police were at 216 East Plume Street, Norfolk, Virginia, facilitating the closing of Legacy Restaurant and Lounge when the suspect, later identified as Tyshawn Gray, fired eight times into the crowd of people standing outside the location. One Norfolk Deputy Sheriff and three civilians suffered gunshot wounds and were transported to the hospital by Medics. Officers ran towards the sound of the gunfire and detained Gray in the 100 Block of Atlantic Street. A Smith & Wesson M&P Shield 380 was recovered from Gray's waistband when he was taken into custody. The slide of the gun was locked back to the rear and the magazine was empty. The magazine held eight rounds.

Eight 380 cartridge cases were recovered from the corner of East Plume Street and Atlantic Street.

Detective Flatley reviewed video footage from the Virginia Maritime Association at 236 East Plume Street, which has a camera facing the 100 Block of Atlantic Street. The footage shows Gray walking up to a 2009 silver Dodge R15 pickup bearing VA tag UDA1975, VIN 1D3HB16K49J519790, parked in the 100 Block of Atlantic Street. Gray opens and closes the driver's door and walks back towards the 200 Block of Plume St with a firearm in his hand. After a few seconds, Gray is then seen walking from Plume Street and back up Atlantic Street, where he is detained by Officers.

Due to the above-mentioned facts this affiant requests a search the 2009 silver Dodge R15 bearing VA tag UDA1975, currently located at the Second Precinct, 901 Asbury Ave, Norfolk, VA 23513 for evidence of the crime of Aggravated Assault on LEO, Malicious Wounding, UFA, and Discharge Firearm in Public.
