

You are invited
to an open house
celebrating our newly renovated
Mother/Baby rooms and NICU

The larger, spa-like postpartum rooms are complete and our upgraded Level III NICU has new technology, more beds and more privacy.

Stop by during one of our open houses to see what we've created to benefit our babies, moms and families.

February

27

Tuesday

10 a.m.-12 p.m.

February

28

Wednesday

6-8 p.m.

March
